

We are hiring!

Do you like technology? Do you like meeting new people to build business relationships?

Join our Fairmas team in **Berlin HQ** as **Software Designer UI/UX**

Fairmas GmbH is a hotel software company that specializes in **financial planning, controlling and management reporting solutions**. Founded in 2003 in Berlin, we are a team of about 50 hoteliers and IT experts who cater to over 11,000 users in more than 4,000 hotels worldwide. We foster a culture of respect, teamwork and collaboration. Work-life balance is a must to ensure everyone is always motivated (and another reason why we have a kicker table!) There is no micromanaging we trust everyone to get his or her job done. Lastly, we take pride in offering first-class service, as most of us were former hoteliers.

(Jr.) Software Designer UI/UX (f/m/x)

full- or part time

Your new role

- ▶ Illustrate design ideas using storyboards, process flows and sitemaps
- ▶ Apply agile methodologies during the design process
- ▶ Build reusable code components
- ▶ Create original graphic designs (e.g., images, sketches and tables)
- ▶ Present and communicate design work to internal teams and stakeholders
- ▶ Design and apply a consistent design language throughout all applications
- ▶ Evaluate existing product feature and contribute to new product ideas and optimizations
- ▶ Identify and troubleshoot UX problems (e.g., responsiveness)
- ▶ Work in a small, cross-functional team to design and develop user-friendly map styling and prototyping workflows
- ▶ Work with several engineering teams incl. product owners, product managers and software developers

About you

- ▶ Education in design or web front-end development
- ▶ First work experience as a web front-end designer or similar role
- ▶ Knowledge of design software and wireframe tools
- ▶ Excellent communication skills in English and/ or German
- ▶ User-focused orientation, reliable, future-oriented, and happy to work with an international team

What we offer

- ▶ State-of-the art technical hard- and software
- ▶ Option for flexible working schemes (onsite/ mobile working)
- ▶ Fun, team-oriented and dynamic team of international hotel professionals and software developers
- ▶ Empowerment – you can contribute to making this company's success grow even further
- ▶ Quick decisions – there is not a lot of hierarchy with an open-door policy from the decision makers
- ▶ Excellent location in Berlin-Schöneberg with great transport links and a partly subsidized BVG card
- ▶ A well-stocked pantry with good coffee, tea, fruits, Haribos and Toffees
