

Your expert for planning and controlling software for hotels

Fairmas GmbH is a software company specializing in management reporting and financial planning applications for the hotel industry. Since our foundation in 2003, our focus has been on the development of innovative, customized hotel software. Through continuous growth as well as the steady expansion of our product range, more than 5,000 hotels worldwide are now using our solutions.

We want to grow further and are looking for reinforcement. Our international team of 45 employees consists of hoteliers and IT experts, who together have a lot of fun at work every day in our new offices. We are enthusiastically committed to our common goal of supporting hoteliers with innovative and first-class software every day.

To support our team at our headquarters in Berlin, we are now looking for a
