Fairmas GmbH is a hotel software company that specializes in financial planning, controlling and management reporting solutions. Founded in 2003 in Berlin, we are a team of about 55 hoteliers and IT experts who cater to over 15,000 users in more than 5,000 hotels worldwide. We take pride in offering first-class service, as most of us were former hoteliers.

We foster a culture of honesty, integrity, and team spirit. Work-life balance is a must to ensure everyone is always motivated. There is no micromanaging, we trust everyone to get her or his job done. We believe that employees are the driving force of the company, and your voice needs to shine through your work. Fairmas will give you the environment you need to thrive.
