

Grow with us. Join **Fairmas!**

Fairmas GmbH is a hotel software company that specializes in web-based financial planning, controlling and management reporting solutions. Since our founding in 2003 in Berlin, our team of around 80 professionals - ranging from hoteliers and IT experts to individuals with diverse backgrounds - has been dedicated to serving over 18,000 users in more than 5,500 hotels worldwide.

We take pride in delivering exceptional service, built on years of industry expertise. At Fairmas, our company culture is defined by transparency, mutual respect, and team spirit. For us, work-life balance isn't just a buzzword - it's a cornerstone for fostering long-term motivation and creativity. We firmly believe that our employees are the driving force behind Fairmas. Their ideas and contributions actively shape our company's future.

To support the product management and developer teams at our headquarters in Berlin, we are looking for a

Working student in the field of software testing (all genders)

Your tasks

Are you passionate about IT, enjoy working in a team, and have an interest (or even experience) in software testing?

- ▶ Together with your team, you will design test scenarios and support quality assurance and final acceptance
- ▶ You will collaborate in the coordination, preparation and technical execution of tests
- ▶ You will help us evaluate the test results and make them available to the specialist departments
- ▶ You will contribute to automating and documenting the test processes

Your profile

- ▶ You have strong analytical skills as well as a structured, attentive and conscientious approach to software testing
- ▶ You are passionate about IT topics and new technologies and programming
- ▶ For the test automations, initial experience/knowledge in programming (C# / Selenium) is required to be able to read up on complex code structures
- ▶ You enjoy working in a team and are reliable
- ▶ You have good MS Office skills as well as solid English skills (B2 minimum) and good German skills (B1)
- ▶ This role is designed for enrolled students who are based in Berlin and can work up to 20 hours per week, with flexibility around university schedules.

We offer you

- ▶ A varied job in a healthy growing, international environment
- ▶ You can expect intensive induction, a steep learning curve, feedback meetings and training opportunities
- ▶ A pleasant and team-building working environment, regular company and team events
- ▶ The opportunity to work flexibly

Please send your application documents by e-mail to hr@fairmas.com, stating your earliest possible starting date! Anita Hagedorn will be happy to answer any questions you may have on 030 322 940 5 27.

Due to the high volume of applications, we will only reach out to candidates who fully match the listed requirements.
